Re: United States v. Antione Chambers, S2 13 Cr. 345 (LGS)

Dear Judge Schofield:

  
LORNA G. SCHOFIELD  
UNITED STATES DISTRICT JUDGE

The Government respectfully writes to request a three-day extension of its deadline to respond to defendant Antione Chambers' second *pro se* motion seeking a sentence reduction pursuant to 18 U.S.C. § 3582(c)(1)(A) (Dkt. 294). The Government's current deadline is April 21, 2023, and the Government respectfully seeks an extension until April 24, 2023. With apologies for this second request for an extension, the undersigned is awaiting confirmation from the Bureau of Prisons ("BOP") as to whether the defendant did, in fact, make a request for compassionate release to the Warden of FCI Butner Medium II, as set forth in his motion. *See* Dkt. 294 at Exhibits A and B. Exhibit A to the defendant's motion is a request from the defendant to the Warden dated January 31, 2023, but Exhibit B to the defendant's motion is a response from the Warden that is dated November 29, 2022, which pre-dates Exhibit A. Meanwhile, counsel for the BOP has conveyed that it has been unable to locate any record of a request for compassionate release from the defendant. The Government regrets not having identified this issue earlier, and respectfully requests a modest extension of its deadline to respond in order to obtain clarity on this issue.

Respectfully submitted,

DAMIAN WILLIAMS  
United States Attorney
